

Hello everyone, My name is Tom Boyd and I will be coordinating and coaching within the 7th and 8th grade PRYB in-house basketball program. We will begin the first two weeks running skills, drills and evaluations with the boys.

I ask that parents who are interested in coaching reach out to Lisa Finn ASAP... your help will be needed in order to run a successful open gym and season. I have been told that if we do not field enough coaches then they will not run the program. I am confident that we can get enough parent support. Please see our coaching needs at the end of the email. I understand that there are players who are trying out for the school teams. Good luck and when your child makes the team, simply email Lisa Finn at lfinn@pryc.org to request a refund.

For the first two weeks will meet at the PRYC Field House Gym. You should come based on the first letter of your last name. Bring a ball and water. Closed Gym; no spectators. Coached Attend.

The players will be run through various drills in order for us to gather the information we will need to form teams! From there, I will send out an email regarding specific teams and gym times. Please know that fair teams are formed through a draft. We cannot draft players based on carpooling requests so please refrain from sending them. Lisa Finn will take any communication or questions you may have. Her email is lfinn@pryc.org. An email indicating your players team will arrive after Thanksgiving.

A note to coaches: Please plan on being at open gym times so that we can properly evaluate. We will conduct a draft from 9-9:30PM on the 24th.

COACHES LIST AS OF 11/2

Once teams are formed, coaches will be asking for an assistant. Please know that Scott Frenz can head coach but due to travel/work commitments he needs a co-coach. Can someone step up there? Also, we need one more head coach.
