*******REGISTRATIONS WILL NOT BE ACCEPTED AT TRYOUTS!!!!**

Independent evaluators are rating the players and former travel coaches are running drills for the evaluators so the evaluators can focus on rating the players. These coaches will have no input into the rating or selection process.

The participant MUST wear a plain t-shirt with no numbers on it. No AAU Jerseys and No Jerseys from any competitive or travel programs. They will be given an assigned number to wear on their jersey. Evaluators will only know the participant by their number and their names will not be provided.

Travel teams will be announced no later Thursday, October 27th. The number of teams per grade will be based upon the talent pool. **The Greater North Hills Travel League is a competitive league, and PRYB will only place competitive teams.** The independent evaluators make the determination on the number of teams placed.

**** It's important to note that there is no guarantee that a player will be selected for the travel program even if she was selected the previous year, and there is no guarantee of A and B teams per grade. ****

If you are interested in coaching a travel team, you must email a coaching resume to Larry Bracco at lbracco@pryc.org by Friday, October 21st. Travel coaches will be notified by Thursday, October 27th and travel practices will begin on or near Saturday, November 5th.
